### COUNTY OPERATIONAL PLAN OPEN HOUSES

The County of Santa Cruz is inviting members of the public and interested parties to a series of open houses to review a set of draft strategies in connection with County's first-ever Strategic Plan.

The strategies are included in a two-year Operational Plan, a detailed roadmap for implementation of the Strategic Plan. At each open house, attendees will have a chance to review and provide feedback on Operational Plan strategies, which will later be connected with a series of specific, measurable, objectives linked to each focus area in the Strategic Plan.

Spanish translation will be available, and all ages are welcome.
