### DRAFT CEMEX RESTORATION AND REUSE PLAN RELEASED

The Draft Restoration and Reuse Plan for the former Davenport Cement Plant site has been released for public review. The Draft Plan was prepared by RRM Design Group under contract to the County of Santa Cruz.

Available at <http://www.co.santa-cruz.ca.us/DavenportCementPlant.aspx>, the plan includes background information, a summary of opportunities and constraints, project goals, three economically tested conceptual land use plans, a summary economic feasibility analysis, and proposed Local Coastal Plan amendments. The plan is subject to further community input, environmental review and adoption by the Board of Supervisors.

The Davenport community and members of the public are invited to join RRM Design Group, County staff, and County Supervisor Ryan Coonerty at a community meeting to review the draft Reuse Plan.

The meeting will take place at the following place and time:

**WHAT:** Davenport Cement Plant Community Meeting

**WHERE:** Pacific Elementary School, 50 Ocean St., Davenport

**WHEN:** Thursday, Nov. 8, 6 p.m. – 8 p.m.

The Davenport Cement Plant is project of County of Santa Cruz, the community, the California Coastal Conservancy, Sempervirens Fund, Gordon and Betty Moore Foundation and the Resources Legacy Fund.
