Summer Solstice Cat Adoption Special

Through the end of July, Santa Cruz County Animal Shelter (SCCAS) is offering special adoption prices for all kittens and cats at their Santa Cruz shelter, 1001 Rodriguez St. Due to a high volume of kittens and cats in the Shelter, SCCAS wants to ensure that these healthy, adoptable pets are offered a second chance to find a new forever home.

Feline adoption fees usually range from \$55 to \$120, depending on the animal. The current price special will be \$60 for kittens under one year of age and \$25 for all adult cats. All adoption fees include the following:

- Spay/Neuter
- Initial worming and vaccinations
- Rabies vaccine (over three months of age)
- Microchip
- Cardboard cat carrier

“Adopting a shelter animal not only saves a life, it also opens up precious space in our Shelters for Santa Cruz County’s neediest animals,” said Melanie Sobel, general manager for Santa Cruz County Animal Shelter. “We are asking community members to consider a shelter cat as the next addition to their household.”

About Santa Cruz County Animal Shelter (SCCAS)

The Santa Cruz County Animal Shelter is an open admission shelter which welcomes EVERY animal in need. Our goal is to be a humane resource for the community by providing a safety net and second chance for local animals. There are two locations where owners can find and recover lost pets, adopt new animal companions, or sign up for PLANNED PetHood, our low cost spay/neuter program available for all resident pets. Our success is achieved through a variety of life-saving services and programs which are described in detail on our website, www.scanimalshelter.org. The support of our community is crucial to sustaining and expanding these services.
