**HAS NOT BEEN IMPLEMENTED BUT WILL BE IMPLEMENTED IN THE FUTURE** – summarize what will be done and the timeframe

**REQUIRES FURTHER ANALYSIS** – explain scope and timeframe (not to exceed six months)

**WILL NOT BE IMPLEMENTED** – explain why

**Response explanation, summary, and timeframe:**

The Santa Cruz Sheriff's Office and County Office of Education hold student and staff safety as our highest priority on-campus. We have begun meeting with the local Chiefs of Police and Superintendents from all school districts to coordinate the development of a County-wide Threat Assessment Plan. We believe that this regional approach will enable us to leverage the resources of the larger law enforcement agencies and school districts to help support the smaller districts and agencies. Threat Assessment is a complicated arena balancing the needs of school safety and self-expression. Each threat must be investigated appropriately with a view of ensuring a safe learning environment for all the students and staff in Santa Cruz County.

A key component of the plans is the ability to share critical information to further the investigative process of the threat assessment. The COE and Sheriff's Office are committed to the right of each student to privacy, but believe that appropriate information sharing, as allowed by FERPA, contributes to timely and accurate investigations into potential threats of school violence and results in better outcomes.

The plans should be in place by December 2017 at each school district.

**R3.** The COE and the CSO should collaborate to develop a plan in which all school districts are prepared and capable of assessing a threat of targeted school violence. (F3, F5–F7)

- HAS BEEN IMPLEMENTED** – summarize what has been done
- HAS NOT BEEN IMPLEMENTED BUT WILL BE IMPLEMENTED IN THE FUTURE** – summarize what will be done and the timeframe
- REQUIRES FURTHER ANALYSIS** – explain scope and timeframe (not to exceed six months)
- WILL NOT BE IMPLEMENTED** – explain why

**Response explanation, summary, and timeframe:**

The Santa Cruz Sheriff’s Office and County Office of Education hold student and staff safety as our highest priority on-campus. We have begun meeting with the local Chiefs of Police and Superintendents from all school districts to coordinate the development of a County-wide Threat Assessment Plan. We believe that this regional approach will enable us to leverage the resources of the larger law enforcement agencies and school districts to help support the smaller districts and agencies. Threat Assessment is a complicated arena balancing the needs of school safety and self-expression. Each threat must be investigated appropriately with a view of ensuring a safe learning environment for all the students and staff in Santa Cruz County.

Santa Cruz Police Department, Watsonville Police Department, Scotts Valley Police Department and the Santa Cruz Sheriff’s Office all have dedicated officers assigned to various school districts throughout the county as School Resource Officers. SROs are currently assigned to campuses in the Pajaro Valley Unified School District (WPD and SCSO), Santa Cruz City School District (SCPD and SCSO), San Lorenzo Valley Unified School District (SCSO) and Scotts Valley Unified School District (SVPD). The Sheriff’s Office is committed to providing resources and support to all school districts in its jurisdiction, even if they don’t have a full time SRO assigned to them.

**R4.** The County Sheriff and the County Superintendent of Schools should act as *boundary spanners* to facilitate collaboration between the school districts and law enforcement in assessing threats. (F4)

- HAS BEEN IMPLEMENTED** – summarize what has been done
- HAS NOT BEEN IMPLEMENTED BUT WILL BE IMPLEMENTED IN THE FUTURE** – summarize what will be done and the timeframe
- REQUIRES FURTHER ANALYSIS** – explain scope and timeframe (not to exceed six months)
- WILL NOT BE IMPLEMENTED** – explain why

**Response explanation, summary, and timeframe:**

The Sheriff and Superintendent of Schools have met and formed a working group with local law enforcement agencies and the school districts to develop a county-wide protocol and share resources with smaller districts.

**R5.** The CSO and Chiefs of Police should ensure a law enforcement representative, preferably a School Resource Officer, be made available to school districts when drafting or revising an existing threat assessment plan. (F6, F8)

**HAS BEEN IMPLEMENTED** – summarize what has been done

**HAS NOT BEEN IMPLEMENTED BUT WILL BE IMPLEMENTED IN THE FUTURE** – summarize what will be done and the timeframe

**REQUIRES FURTHER ANALYSIS** – explain scope and timeframe (not to exceed six months)

**WILL NOT BE IMPLEMENTED** – explain why

**Response explanation, summary, and timeframe:**

Most of the law enforcement agencies already have SROs assigned at various school districts throughout the County. The Sheriff is committed to providing SROs or other staff to all the school districts served by the Sheriff's Office for assistance in developing and implementing a threat assessment plan.

**R8.** The County Sheriff and the Chiefs of Police should ensure their respective law enforcement agencies attend periodic training in assessing threats of targeted school violence. (F10)

- HAS BEEN IMPLEMENTED** – summarize what has been done
- HAS NOT BEEN IMPLEMENTED BUT WILL BE IMPLEMENTED IN THE FUTURE** – summarize what will be done and the timeframe
- REQUIRES FURTHER ANALYSIS** – explain scope and timeframe (not to exceed six months)
- WILL NOT BE IMPLEMENTED** – explain why

**Response explanation, summary, and timeframe:**

The Sheriff's Office personnel attended training hosted by the County Office of Education in March 2017 on threat assessment. We continue to send our deputies to advanced training as part of their assignments on school campuses.
