**OUR VISION**

Santa Cruz County is a healthy, safe and more affordable community that is culturally diverse, economically inclusive and environmentally vibrant.

**OUR MISSION**

An open and responsive government, the County of Santa Cruz delivers quality, data-driven services that strengthen our community and enhance opportunity.

**OUR VALUES**

The County of Santa Cruz provides services and supports partnerships built on:

- Accountability
- Effectiveness
- Support
- Collaboration
- Innovation
- Transparency
- Compassion
- Respect
- Trust

**STRATEGIC PLAN FOCUS AREAS**

- Comprehensive Health & Safety
- Attainable Housing
- Reliable Transportation
- Sustainable Environment
- Dynamic Economy
- County Operational Excellence
## COMPREHENSIVE HEALTH & SAFETY

<table>
<thead>
<tr>
<th>Goal</th>
<th>Strategy</th>
</tr>
</thead>
</table>
| **A** Health Equity  
Promote a safe and healthy community that nurtures body and mind across all ages and social conditions. | i  
We will advance prevention and intervention services that promote community wellness.  
ii  
We will reduce barriers and increase access to quality and community-supported services.  
iii  
We will leverage community partnerships to improve social determinants of health. |
| **B** Community Support  
Provide access to food and basic support through integrated health care and social services. | i  
We will use targeted campaigns and integrated systems to ensure basic needs are met.  
ii  
We will pursue policies and programs that support vulnerable populations.  
iii  
We will innovate and collaborate among departments to advance coordination of care. |
| **C** Local Justice  
Increase public safety through practices, partnerships and transformative opportunities that respect victims and reduce recidivism. | i  
We will advance collaborative and innovative programs to promote safety.  
ii  
We will focus on proven and promising practices to prevent crime, reduce recidivism, and increase successful reintegration.  
iii  
We will develop the infrastructure necessary to foster community safety and opportunity.  
iv  
We will become a trauma-informed organization and expand services to ensure justice for victims of crime. |
| **D** Behavioral Health  
Support residents and lessen community impacts through increased access to integrated mental health, substance use disorder and health care services. | i  
We will expand eligibility and integrate care to expedite access to behavioral health services.  
ii  
We will support housing, family reunification and counseling to increase the success of behavioral health programs. |

**Sample Projects/Initiatives**
- Clinic Wait Times - Health Services
- Evidence-Based Practices Library - CORE Investments
- Focused Intervention Team - Sheriff, Health Services
- Neighborhood Court Study - District Attorney
- Outcome-Based Contracting for Youth Services - Probation
- Probation Service Center - Probation
- Thrive by Three - Human Services
- Whole Person Care - Health Services

- Sustainability Update to General Plan - Planning
## RELIABLE TRANSPORTATION

<table>
<thead>
<tr>
<th>Goal</th>
<th>Strategy</th>
</tr>
</thead>
</table>
| **A** Regional Mobility | i We will improve traffic flow to reduce intra-county travel and commute times.  
ii We will work with local transportation partners to improve the multi-modal transportation network. |
| **B** Community Mobility | i We will support policies and infrastructure that encourage alternative transportation.  
ii We will plan transportation networks that are adaptive to innovative mobility solutions. |
| **C** Local Roads | i We will prioritize local road projects based on daily usage and safety to efficiently maintain the County road network.  
ii We will implement timely, quality repairs to increase road resiliency along critical evacuation routes. |
| **D** Public Transit | i We will work with local partners to prioritize transit-oriented development and support increased transit use.  
ii We will promote policies and programs that support populations that have limited transportation options. |

### Sample Projects/Initiatives

- Level of Service Improvements (Measure D, SB1) - Public Works
- Road Resurfacing (Measure D, SB1) - Public Works
- Safe Routes to School - Health Services
- South County Satellite Office Study - Personnel
- Storm Recovery Projects - Public Works
- Traffic Count and Demand Management - Public Works
- Transportation Planning - Planning, Public Works
## SUSTAINABLE ENVIRONMENT

<table>
<thead>
<tr>
<th>Goal</th>
<th>Strategy</th>
</tr>
</thead>
</table>
| **Outdoor Experience**  
Ensure access to and enhance experience in parks, open spaces, water areas and outdoor activities. | i  We will create parks and outdoor environments that enhance everyone's access and experience.  
ii  We will create and promote a variety of recreational programs to meet community needs. |
| **Natural Resources**  
Protect and restore natural resources, including water, air, forests, coastline and agricultural lands. | i  We will advance policies and programs to protect and promote environmental stewardship and sustainability.  
   ii  We will demonstrate sustainable practices within the County government as a model for the community.  
   iii  We will work with partner agencies and the agricultural community to sustainably manage water resources to meet human and environmental needs.  
   iv  We will pursue policies and programs to eliminate waste and encourage recycling. |
| **Local Conservation**  
Support and strengthen efforts for clean air and water, conservation, renewable energy, recycling and reuse. | i  We will advance policies and programs that increase community resiliency to climate hazards.  
   ii  We will be prepared for natural disasters, including those resulting from climate change. |
| **Climate Change**  
Increase resilience to climate change impacts, including sea-level rise and changing weather patterns. | i  We will advance policies and programs that increase community resiliency to climate hazards.  
   ii  We will be prepared for natural disasters, including those resulting from climate change. |

### Sample Projects/Initiatives

- Electric Vehicle Charging Stations - General Services
- Environmental Law Violation Outreach and Investigation - District Attorney
- Groundwater Sustainability Plan - Health Services
- Leo’s Haven at Chanticleer Park - Parks
- New Pre-Teen/Teen Recreation Camp - Parks
- Simpkins Pool Renovation - Parks, General Services
- Sustainability Update to General Plan - Planning
- Zero Waste - Public Works
### DYNAMIC ECONOMY

<table>
<thead>
<tr>
<th>Goal</th>
<th>Strategy</th>
