### Community Corrections Partnership

---

The three goals of the Santa Cruz County Community Corrections Partnership are:

- I. Establish an array of **effective alternatives to incarceration** to address the impacts that the realigned population will have on the county jail in order to avert crowding and poor conditions of confinement without jeopardizing public safety outcomes;
  - II. Implement **Evidence-Based Probation Supervision** that properly assesses risk factors associated with recidivism and provides effective probation interviewing, case planning, and community supervision to ensure public safety and reduce recidivism; and
  - III. Develop community partnerships for **effective intervention services** that adhere to the principles of evidence-based practices for maximum recidivism reduction.
