

The Santa Cruz County Commission on Disabilities wants to honor business, organizations and government departments that provide outstanding access to persons with disabilities.

There are an unlimited number of ways to make a place disability friendly:

- Wheelchair friendly facility (wide aisles and doorways accessible bathrooms)
- Disabled parking near by
- Direct entrance, ramp or elevator access to all goods and services for persons with mobility impairments
- Helpful staff (can't reach something and it is easy to get someone to assist you)
- Braille or talking computer for visually impaired persons
- Headsets for persons with a hearing impairment
- Seating that accommodates wheelchair users
- Accessible counter height
- Adequate lighting
- Signage with large text
- Other

We want to hear about them all.

Nominate a local business or program that has gone the extra mile to help persons with disabilities access goods or services.
