GENERAL INFORMATION

Section 75.12 of the California Revenue and Taxation Code provides that any real property on which new construction is completed and which qualifies for the exclusion under Section 75.12 shall not be added to the supplemental roll until the date that property, in whole or in part,

- (A) changes ownership,
- (B) is rented or leased, or
- (C) is occupied or otherwise used by the owner or with the owner's consent, except a model home or other use which is incidental to an offer for a change of ownership, whichever comes first.

The exclusion applies only if the owner notifies the Assessor in writing prior to or within 30 days of the start of construction that he or she offers or intends to offer for sale or other change in ownership and that he or she requests exclusion from supplemental assessment. The exclusion also requires that the owner does not occupy, use or intend to occupy or use, lease or rent the property, except as a model home or other use as is incidental to an offer for a change in ownership.

An owner who is granted the exclusion is required to notify the Assessor within 45 days of the earliest date that any of the following occur:

- 1. The property changes ownership subject to an unrecorded contract of sale.
- 2. The property is rented or leased.
- 3. The property is occupied or used for any purpose other than incidental to an offer for a sale or other change in ownership.

A failure by the property owner to notify the Assessor of such a change in use or ownership on a timely basis may result in a penalty of \$100 or 10% of the taxes applicable to the new base year value of the property, whichever is greater but not to exceed \$2,500.
