COUNTY RESIDENTS SOUGHT FOR STATE APPOINTMENTS

Gov. Jerry Brown's top appointments secretary, Mona Pasquil, will hold a community forum on Thursday, Sept. 29 to help local residents learn more about serving on state Boards and Commissions.

The State of California utilizes hundreds of Boards and Commissions overseeing topics that range from agricultural and water policy, disability access, professional oversight, social services, environmental policy, education and much more. Gov. Brown is tasked with making many of those appointments.

"Santa Cruz County has traditionally been underrepresented on these critical policymaking and advisory bodies," said Supervisor Zach Friend, who invited Pasquil to make a presentation. "They can be a good way to serve the public and have a positive impact on people's lives."

Pasquil will give a presentation on learning more about available opportunities and the process for being considered as an appointee, before taking questions from the audience.
