Floating Pumpkin Patch at Simpkins Family Swim Center

Santa Cruz County, a nontraditional place, has always celebrated Halloween, a nontraditional holiday, in nontraditional ways. So why would you shop for pumpkins at a traditional pumpkin patch?

On October 23 from 1 p.m.-4 p.m., come to the Simpkins Family Swim Center and pluck a pumpkin from the Floating Pumpkin Patch during a fun-filled day of games, prizes, music, popcorn and pumpkin-decorating! Costumes are encouraged.

Bring your suit and towel, your friends and family, and make a day of it. This is a drop-in, rain or shine event; pre-registration is not required. Event admission is \$7 for adults and \$5 for children and seniors. Swimming for a pumpkin costs \$4 per pumpkin, and the Floating Pumpkin Patch opens at 1:30 p.m. Parking is free. Don't miss this fun fall family event!

The Simpkins Family Swim Center is located at 979 17th Ave., in Live Oak. Visit www.scparks.com for more information about the many aquatic programs offered by the Santa Cruz County Department of Parks, Open Space and Cultural Services.
