## PG&E WOOD HAUL PROGRAM: INFORMATIONAL MEETING & UPCOMING DEADLINE

The County wants to remind those residents impacted by the PG&E activities after the CZU Fire Clean-up of an upcoming town hall meeting and deadline to opt-in to the wood waste removal program.

Under the terms of a settlement reached with the County, PG&E agreed to implement a wood waste removal program and provide additional measures meant to protect the community from the threat and impact of wildfires.

PG&E is responsible for notifying customers regarding the opt-in wood waste removal program. Impacted residents **must opt-in by January 31<sup>st</sup>, 2022**. An enrollment form is available on the County's Office of Response, Recovery and Resilience website: <https://www.santacruzcounty.us/FireRecovery/DebrisRemoval/PGEWoodHaulProgram.aspx>. Once completed, the form will automatically be sent to PG&E.

An additional public meeting for residents with large wood debris remaining after the CZU Fire cleanup will be hosted on Wednesday January 12<sup>th</sup>, 2022. (Town hall attendance is not necessary to enroll.)
