RFQ for 7th and Brommer Site Released

The County of Santa Cruz is inviting interested parties to respond to a Request for Qualifications for an 8.3-acre development opportunity near the upper Santa Cruz Small Craft Harbor.

Formerly owned by the County Redevelopment Agency, the site must be sold and the proceeds distributed to taxing agencies located within the boundaries of the former Redevelopment District, including local schools. The RFQ is attached, or can be downloaded from the County's website at www.santacruzcounty.us.

The RFQ is based on community input, as well as site zoning and constraints. All Addenda to the RFQ will be posted to the County's website. Responses are due no later than Friday, August 18, 2017 at 5:00 p.m.

All questions and inquiries regarding the RFQ shall be directed to Kevin Bratcher at kevin.bratcher@santacruzcounty.us.
