Animal Shelter 'Pay It Forward' Special

\$25 Kitten or Cat Adoptions Help Community's Neediest Animals

The Santa Cruz County Animal Shelter (SCCAS) is offering special summer "Pay It Forward" specials to help find homes for local kittens and cats, with proceeds funding important SCCAS programs and services for the community.

Through August 31, 2018, all kitten and cat adoptions are only \$25. The adoption fee includes spay/neuter, microchip (including registration), age appropriate vaccinations, routine treatment for fleas/worms, cat carrier and a free pet wellness exam with local participating veterinarians.

SCCAS is also asking the community to "pay it forward" to their community's neediest animals by also donating at least \$25 to one of the following funds:

- **Planned Pethood Fund**, which funds FREE spay/neuter surgeries
- **Extra Mile Fund**, which allows medical rehabilitation for animals beyond what our shelter budget permits
- **Healthy Pets for All Fund**, which purchases pet food, pet toys, flea medication and other supplies for underserved animals in the community
- **General Program Donation Fund**, which supports animal adoption, animal enrichment and public outreach and education programs

SCCAS currently has many beautiful cats and kittens waiting for a forever home. Open your heart and home by adopting a feline companion for a \$25 adoption fee, and make a generous donation that will help the local homeless and underserved animals in your community.

About Santa Cruz County Animal Shelter (SCCAS)

The Santa Cruz County Animal Shelter is an open admission shelter which welcomes EVERY animal in need. Our goal is to be a humane resource for the community by providing a safety net and second chance for local animals. There are two locations where owners can find and recover lost pets, adopt new animal companions, or sign up for PLANNED PetHood, our low cost spay/neuter program available for all resident pets. Our success is achieved through a variety of life-saving services and programs which are described in detail on our website, www.scanimalshelter.org. The support of our community is crucial to sustaining and expanding these services.
