RE: **Filing of Notice of Determination in compliance with Section 21108 or Section 21152 of the Public Resources Code**

Project Title: Antonelli Pond Accessible Trail Project

State Clearinghouse Number: 2021080417

Project Location: 2390 Delaware Avenue (APN 003-061-13 and 003-061-14) in the western portion of the City of Santa Cruz

Project Description: The proposed project consists of a Special Use Permit, Design Permit, Historic Alteration Permit, Coastal Permit, and Watercourse Development Permit to construct a walking path and related improvements around Antonelli Pond and to allow for a year-round park host site. This project includes the removal of one heritage tree. The Land Trust of Santa Cruz County (LTSCC) is planning the construction of a universally accessible nature pathway at Antonelli Pond that is partially funded by a California Coastal Conservancy grant to fund the planning process for the proposed trail system. The intention of the project is to build over half a mile of all-access trail that will meet the standards of the Americans with Disabilities Act (ADA) along the eastern and western sides of Antonelli Pond. The project consists of construction of a six-foot wide pervious concrete and stabilized decomposed granite trail, generally following the footprint of the existing dirt path on the east and west sides of Antonelli Pond. The total trail length is 0.29 mile on the west side and 0.13 mile on the east side for a total of 0.42 miles of upgraded trails. A short section will have a concrete band on the east side where the trail meets Delaware Avenue. Other improvements include riparian restoration and entrance, signage and fencing improvements.

This is to advise that the City of Santa Cruz as  Lead Agency or  Responsible Agency, approved the above described project on December 2, 2021 and has made the following determinations regarding the above described project:

- The project  will  will not have a significant effect on the environment.
- An environmental impact report (EIR) was prepared for this project pursuant to the provisions of CEQA.
