Knowledge: Thorough knowledge of current principles and practices of medicine. Some knowledge of functions and services of local public health agencies.

Ability to: Perform medical diagnosis and treatment; provide medical direction to subordinate staff; evaluate and review the work of mid-level medical practitioners for appropriate diagnosis, treatment and chart documentation; prepare protocols; establish and maintain an effective working relationship with others; prepare clear and concise written and oral reports; analyze situations accurately and adopt an effective course of action; learn to conduct in-service training programs; secure State certification to supervise and direct mid-level practitioner and learn to input, access and analyze data using an electronic health records system.

THE EXAMINATION: Your application and supplemental questionnaire will be reviewed to determine if you have met the education, experience, training and/or licensing requirements as stated on the job announcement. If you meet these criteria and are one of the best qualified, you may be required to compete in any combination of written, oral and/or performance examinations or a competitive evaluation of training and experience as described on your application and supplemental questionnaire. You must pass all components of the examination to be placed on the eligible list. The examination may be eliminated if there are ten or fewer qualified applicants. If the eligible list is established without the administration of the announced examination, the life of the eligible list will be six months and your overall score will be based upon an evaluation of your application and supplemental questionnaire. If during those six months it is necessary to administer another examination for this job class, you will be invited to take the examination to remain on the eligible list.
