Appeals and grievances

If you have a complaint or dispute about MHN's services or counselors, you may call the same toll-free number you use to access your EAP services, submit a complaint online at www.mhn.com, or submit a complaint in writing to:

MHN Appeals and Grievances
PO Box 10697
San Rafael, CA 94912

Within five business days of receiving your complaint, we will let you know (in writing) that we have received your complaint, and we will submit it for resolution to the appropriate department.

Evidence of Coverage and Disclosure

To see a detailed description of your EAP benefits, please review your Employee Assistance Program Combined Evidence of Coverage and Disclosure Form (EOC), available through your benefits department. You may also contact MHN at the number in this brochure for a copy of the EOC (California members only). Please note that, in the event of discrepancies between member materials and EOC documents, the terms of the EOC will prevail.

MHN is a licensed California specialized healthcare service plan. The California Department of Managed Health Care (the "Department") is responsible for regulating healthcare service plans in California. If you have a grievance against MHN, you should first call MHN at the number in this brochure, and use MHN's grievance process, as described above, before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you.

You may call the Department if you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by MHN, or a grievance that has remained unresolved for more than 30 days (unless the member is notified within those 30 days that additional time is required and the reason for the delay is documented). You may also be eligible for an Independent Medical Review (IMR). If so, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature, and payment disputes for emergency or urgent medical services. The Department has a toll-free telephone number (1-888-466-2219) to receive complaints and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's website (www.hmohelp.ca.gov) has grievance forms, IMR application forms and instructions.
